Ensure your cold single-serve packaged beverages are always seen and easily accessed with this gravity-fed merchandiser. Visi-Clear drives sales and influences impulse purchases by offering products in a clean, organized, and easily shopped environment.

Gravity-Fed Glides

Designed for angled shelves, the Visi-Clear enables product to naturally glide forward — keeping your shelves appearing stocked and ensuring the next product is always visible and easily accessible.

Brand Exposure

Highlight brands with Visi-Clear's premium water clear front ring. Promote products and flavors to shoppers with unobstructed visibility.

Customizable Breakaway Depths

Size adjustability with easy breakaway sections allow store owners and installers to modify depths, accommodating the various shelf sizes within the market.

Modular Lanes

Connecting different glide sizes together allows for the accommodation of various product sizes, achieving and maintaining plan-o-gram compliance.

Easy to Install

Save time and labor with Visi-Clear's standard and extended product depths. Avoid wasteful modifications by installing out of the box direct-to- shelf, no tools required.

Robust Design

Strong, durable front ring and refined high wall design keeps product upright and organized, providing the consumer optimal visibility, and easy reach for a pleasurable shopping experience and encouraging return visits.
