

Features

Gravity-Fed Glides

Designed for angled shelves, Visi-Clear enables product to naturally glide forward — keeping your shelves appearing stocked and organized

Brand Exposure

Highlight brands with Visi-Clear's premium water clear front ring to promote products and flavors to shoppers with unobstructed visibility

Robust Design

Strong, durable front ring and refined high wall design keeps product upright and organized providing the consumer optimal visibility and easy reach for a pleasurable shopping experience

Recyclability

Manufactured from virgin polypropylene material to ensure long-lasting strength, durability, and easy recycling

Customizable Breakaway Depths

Size adjustable with easy breakaway sections allow store owners and installers to modify depths and widths for shelf sizes within the market

Modular Lanes

Connecting different glide sizes together allows for the accommodation of various product sizes — achieving and maintaining plan-o-gram compliance

Easy to Install

Save time and labor with Visi-Clear's standard and extended product depths — avoid wasteful modifications by installing out of the box direct-to-shelf, no tools required
