

## Ensure Proper Pricing Integrity.

Having easy-to-read pricing is an essential part of any merchandising strategy. Visi-Data Clear Sleeve makes it quick and easy for customers to see product prices and promotions, saving time and providing a consumer-friendly experience.

- Increase brand and pricing awareness
- Added protection for pricing and branding tags
- High-quality alternative to adhesive price tags
- Fits over shelf wire and under Visi-Glides
- Easily update price changes as needed

It's time to finally remove time-consuming sticky labels from your life and incorporate the simplicity and functionality of Visi-Data Clear Sleeves. Display critical information about your products in a way that doesn't interfere with the product itself.

### Affordable

A **high-quality** low-cost solution that will save both your employee's and customer's time.

### Durable

Clear extrusion protective front **protects price tags** and is built to last. Includes Channel size 1.25" (size of graphic/tag/label that can be inserted).

### Easy Installation

**Simply connects** to your shelf and fits over shelf wire and under Visi-Glides.

### Keeps Price Tags Secure

Highly visible price tags are kept in place and **clear from debris or spills**, making it easy to change out price tags as needed.
