

Add a PLUS One to your cold vault shelf space.

The all new Visi-Plus offers an exclusive combination of patented, industry leading Visi-Slide performance PLUS the benefit of gaining one additional facing using existing colf vault shelf space.

- Gain an extra facing for an additional SKU
- Increase on shelf inventory up to 16.6%
- Accomodates various shelf widths
- Fully recyclable
- Utilize all the same features as our industry leading Visi-Slides

Finding extra space in your cold vault can get challenging quickly. Allow Visi-Plus to help optimize your shelf space and, in the process, gain additional facings, maximize pack-out, and increase sales.

Easy Installation

One piece design allows for quick and easy installation.
