

Features

Gravity-Fed Glides

Designed for angled shelves, Visi-Slide enables product to naturally glide forward — keeping your shelves appearing stocked and organized

Brand Exposure

Highlight brands with Visi-Slide's slim translucent front ring to promote products and flavors to shoppers with unobstructed visibility

Robust Design

Strong, durable front ring and refined high wall design keep product upright and organized providing the consumer optimal visibility for a pleasurable shopping experience

Recyclability

Manufactured from virgin polypropylene material to support long-lasting strength, durability, and easy recycling

Customizable Breakaway Depths

Size adjustable with easy breakaway sections allow store owners and installers to modify depths and widths for various shelf sizes within the market

Modular Lanes

Connect different glide sizes to accommodate various product sizes — achieving and maintaining plan-o-gram compliance

Easy to Install

Save time and labor with Visi-Slide's standard and extended product depths — avoid wasteful modifications by installing out of the box direct-to-shelf, no tools required
