

Features

Ideal Application for Angled and Flat Shelves

Pusher track technology for flat shelves and gravity fed for angled shelves

Scooped Front Ring Improves Shopability and Maximizes Product Visibility

Slim profile, brand visibility, maximizes grabbability

Easy to Install

No hardware required, held in place by front and back shelf wires

Price and Promotional Channel

Eliminate clutter of hanging price tags. The clear data strip securely attaches to Cooler-Plus

Maintain Planogram Integrity

Automatically organize beverage shelves and reduce merchandising labor
