

Expandable Add-A-Shelf

Gravity-Fed Beverage Glide
for flat or angled shelves

Specification Sheet

Features

Maximize Existing Space

Use with existing flat or angled shelves, standard and extended depths. Supports Visi-Slide and Visi-Clear

Easy To Install

No tools needed. S-hooks allow easy and durable installation

Reduce Labor, Increase Revenue

Avoid out-of-stocks. Optimize capacity and reduce restocking frequency

Merchandising Excellence

Durable and impactful displays for impulse purchasing

Planogram Optimization

Capitalize on LTOs without disrupting existing shelving
